ABOUT

LEADERSHIP BROWARD

WHO WE ARE

Leadership Broward Foundation, Inc. (LBF) is Broward County's premier leadership development training organization with a 42-year history of preparing and connecting leaders from the business and civic communities to strengthen Florida's future.

Leadership Broward's Class XLII was given the opportunity to develop a wealth of knowledge about Broward County, built a valuable contact network, learned their leadership style, developed their self-awareness and enhanced their leadership skills. The class also experienced the feeling of making a positive difference in our community through a team community project. The program will culminate with a graduation where class participants present a report on their community projects and receive the LB achievement pin. Your support will ensure a celebration worth of the dedication and passion that Class 42 put into this year's program.
